A STYLISH, SEASIDE WEDDING AT MORECAMBE'S PREMIER HOTEL & RESTAURANT

Trust your wedding or wedding celebration to us and we promise you an unforgettable day. A unique combination of stylish surroundings, affordable prices, award winning food and the best views of the bay.

PICTURE YOUR DAY

"A red carpet arrival into Aspect 320 with it's modern stylish décor and outside deck. Your guests can mingle with a glass of fizz and take in the stunning views across the bay before heading into the Lothersdale Suite to enjoy a delicious 3 course wedding breakfast selected by you and prepared by our AA rosette winning kitchen team.

After your wedding breakfast and speeches you can take advantage of our fantastic location to get some photographic mementos of your day. We are ideally positioned with great views over the bay for photographs with the Lakeland hills in the background and the gardens opposite with the town shield and even Eric Morecambe are very popular picture spots for our happy couples. If you are lucky you may even be treated to one of our world famous sunsets!

As the sun sets and your evening guests arrive you can let your hair down and celebrate with your nearest and dearest. After your evening buffet is served we can arrange for your wedding cake to be sliced and placed on afternoon tea stands for your guests to enjoy.

As the day ends you can retire to your complementary bay view room and reflect on a happy and memorable day."

"I wanted to take the opportunity to thank you and all the staff at the hotel for making our wedding day so special! We along with all of our guests had a wonderful time & couldn't have asked for more, thank you for everything you helped us with, the room looked beautiful. A wonderful start to married life!"

SEASONAL WEDDINGS

A seasonal wedding can offer great value without having to compromise on your big day. A wedding in Spring, Autumn or winter can be just as magical as a summer wedding but at a fraction of the cost.

The delights of each season can be incorporated into your day whether it's the snow capped Lakeland fells in the distance as your guests enjoy their welcome drink in Aspect 320, making the most of autumn colours in your colour scheme or incorporating spring flowers into your arrangements.

Seasonal weddings are available October, November, January, February & March. During these months we offer our packages at discounted rates and can also work with you if our packages do not meet your requirements.

“YOUR DAY, YOUR WAY”

Our packages are put together to reflect the most popular choices for couples but you are more than welcome to come to us with your own ideas for your perfect day and we are happy to work with you.

Champagne & canapé arrivals, Afternoon tea wedding breakfasts and fish & chip buffets are just some of the ideas we have worked with over the years and we are happy to provide you with a list of some of the more popular options or work with our chefs and suppliers to create something truly unique.

Please note a minimum spend may apply on Saturday nights April to September inclusive.
